THANKS AND PROJECT NEWS

Dear parishioners of St. Anne and Assumption Church Parishes,

As a Catholic Christian people, it always behooves us to appreciate the gifts that God gives to us and the gifts that others, in their kindness give to us as well. I want to say a word of thanks this week to Grand Knight Ricky Blanchard and the members of Knights of Columbus Council 1099. They have recently completed a lowering of the ceiling in our St. Anne parish hall and the work is magnificent. It really spruces up the looks of the hall, which is so convenient for the parish's use.

A word of thanks is due as well to Skipper Munson, who refinished and, in one case restructured some of the furnishings in the rectory at St. Anne. Both parishes of St. Anne and Assumption have some beautiful antique furnishings that, little by little, I hope to restore and reinstate where both the Pastor and the people can enjoy them.

Thanks to all of you who are contributing to our Adopt a Light program for replacing the 12 large lights that beautify the grounds of St. Anne Church. We now have donors for 4 of the 12 lights. Some have chosen to honor or memorialize loved ones through these donations and some have simply said, "I want to help." It looks like we will be able to replace all the lights soon.

Many thanks to Doug Guillot for offering his services to organize volunteer work crews for each of the weekends of October to clean and spruce up Assumption Cemetery in preparation for All Saints Day. Additionally, if enough volunteers show up, we have an offer of the equipment necessary to remove the shed remnants and other debris from Hurricane Gustav still on the grounds of Assumption behind the Church. Please note the announcement of this project and call for volunteers which will run in our parishes' bulletin for the next several weeks.

Special thanks to all the many people who volunteer their time and talent to carry out ministry in our parishes. I am only now getting to know your names little by little, but I do already appreciate you as a committed and devoted people to the work of the Church. I am proud to be your Pastor.

In other news, work is well under way in the mold removal and painting project for the interior of Assumption Church. Also, some of the work contracted for Immaculate Conception Church for the placement of awnings and repair of siding has been completed. Some work is yet to be completed on that project.

May God bless you and your families with good health, unity, and peace.

Best wishes!

Fr. Joel

Catholic Charities *The Community Comes Together* *for Christmas 2009!*

This year Catholic Charities has accepted Christmas applications from 1,438 families in need. Without the help of generous donors, thousands of children, adults, and seniors will have nothing special for Christmas.

Please contact Wendy at whellinger@ccdior.org, by phone: 225-336-8700 ext 418, or fax 225-336-8745.

We cannot increase vocations to the priesthood or religious by advertising that it will be an easy life. But then, no life worth living is an easy life. Jesus said, "If you wish to come after me you must deny yourself, take up your cross, and follow in My steps." Pray for the gift of being able to accept a Church vocation if that is what you feel God is calling you towards. Call or email Father Matt Lorrain at 1-225-336-8778, mlorrain@diobr.org, or visit, www.diobr.org/vocations.

Adopt a Light Program for St. Anne Church

The goal of our program is to replace the 12 broken, rusted out and cracked light fixtures outside St. Anne Church. In the very near future, one of the old light fixtures will be replaced with the new fixture. With your generosity and support our program will be a beautiful success! To participate in the Adopt a Light Program or for more information, please contact the church office at (985)-369-6656.

ROOTS OF FAITH: A History of the Diocese of Baton Rouge tells the story of the Church in South Louisiana in a large, full-color, easy to read, coffee-table size book. The book begins with the settlement of the area by explorers in the 17th Century and follows the progress of the people, the parishes, and the faith from early statehood through the 21st Century. From the first Mass in Baton Rouge on the banks of the Mississippi to the rise of the oil industry, this book explores the ways Catholicism has shaped the area that became the Diocese of Baton Rouge.

What does the book include?

A full-page history of each parish in the Diocese with pictures that showcase the art and architecture,

A Textual history of colonial times, the development of towns, the spread of the Catholic faith along the waterways, and the formation of the Diocese,

Both new and historic photographs which bring the development of the Diocese to life.

To reserve your copy, please call the church office.

Prayer for Our Soldiers

All powerful and ever living God, when Abraham left his native land and departed from his people you kept him safe through all his journeys. Protect these soldiers. Be their constant companion and their strength in battle, their refuge in every adversity. Guide them, O Lord, that they may return home in safety. We ask this through Christ our Lord. Amen.
